

## Terms & Conditions

Entering The Great TFSA Race means competitors agree to the competition's terms and conditions. The competition is open to South African citizens of 18 years and above with an official South African identity book.

The competition will run from 1 February to 30 April 2016. Winners will be announced on 15 May 2016. The judges' decision is final, and no back and forth correspondence questioning this decision will be permitted. Judge reserve the right to elect an alternative winner should they feel the chosen winner has not met some or all of the terms and conditions of the competition.

Contestants will be required to provide statements containing monthly returns for use by the competition's judges.

The R5 000 cash prize will be reinvested into the winner's EasyEquities Tax-Free Savings Account. If he/she does not have such an account, a new account will be created by EasyEquities for this purpose. Alternatively, if the winner has already met his/her annual contribution limit, the winnings will be invested into an EasyEquities investment of his/her choice.

The organisers have the right to replace prizes with substitute prizes of similar value.

Competitors may from time to time be required to take part in interviews which will be published on various media platforms for the promotion of the competition.
